# The Swedish alphabet

Print page 1 with 'Fit to page'. This guide can stay on your screen.

## Try it together

1. Choose a picture your child recognises. Point to it and say the Swedish word.
2. Look for the first letter in your child's name. Try finding the same letter elsewhere on the sheet.
3. Explore just a few letters at a time. This is a letter-and-word poster, not a pronunciation chart.
