Count from 1 to 10

Print page 1 with 'Fit to page'. This guide can stay on your screen.

Try it together

1. Start with 1, 2 and 3. Touch or point to each object once as you count together.
2. Say the Swedish number word, then find the matching number on the poster.
3. Try it with real objects: one toy, two crayons or three blocks. Move on to larger groups when your child is ready.
